has been cancelled

FLORIDA COURT SETS ATHEIST HOLY DAY

In Florida , an atheist created a case against the upcoming Easter & Passover holy days. He hired an attorney to bring a discrimination case against Christians, Jews & observances of their holy days. The argument was it was unfair that atheists had no such recognized day(s).

The case was brought before a judge. After listening to the passionate presentation by the lawyer, the judge banged his gavel declaring, 'Case dismissed.'

The lawyer immediately stood objecting to the ruling saying, 'Your honor, how can you possibly dismiss this case? The Christians have Christmas, Easter & others. The Jews have Passover, Yom Kippur & Hanukkah. Yet my client & all other atheists have no such holidays..'

The judge leaned forward in his chair saying, 'But you do. Your client, counsel, is woefully ignorant.' The lawyer said, 'Your Honor, we are unaware of any special observance or holiday for atheists.'

The judge said, 'The calendar says April 1st is 'April Fool's Day.' Psalm 14:1 states 'The fool says in his heart, there is no God.' Thus, it is the opinion of this court, that if your client says there is no God, then he is a fool. Therefore, April 1st is his day.

Court is adjourned.

UGA WARNELL SCHOOL OF FORESTRY WEALTH OF KNOWLEDGE ON HABITAT

<http://warnell.forestry.uga.edu/warnell/service/library/index.html>

This may not be a joke.....

A U.S. Department of Water representative stopped at a ranch and talked with the old rancher. He told the rancher, "I need to inspect your ranch for your water allocation."

The old rancher said, "Okay, but don't go in that field over there." The Water representative said, "Mister, I have the authority of the Federal Government with me."

See this card? The card means I am allowed to go WHEREVER I WISH on any agricultural land. No questions asked or answered. Have I made myself clear? Do you understand?"

The old rancher nodded politely and went about his chores.

Later, the old **ranch owner** heard loud screams and saw the Water Rep running for the fence and close behind was the rancher's bull.

The bull was gaining on the Water Rep with every step. The Rep was clearly terrified, so the old rancher immediately threw down his tools, ran to the fence and shouted out.....

"Your card! Your card! Show him your card!"
